

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

This is an abuse
of media power to
unfairly attempt to
influence the voting
public. We oppose
this action by
Sinclair since it is
outside the spirit
of the FCC license
granted to them as a
news media.

We request that
Sinclair be sued to
divest its holdings
down to a minor
level due to this
irresponsible
behavior.

We further oppose
any FCC regulation
that allows
increased percentage
ownership of local
stations. Instead we
request that current
percentages be
decreased by 50% to
better serve the
public with
increased honesty
through wider
competition.
Thank you.
